A proud supporter of Grey Bruce Health Services

Recognize the care you received at the Markdale Hospital by honouring a Healthcare Hero.

When you donate to honour a **Healthcare Hero**, we will present that staff member or department with a special *Healthcare Hero* lapel pin and share your personal message to let them know you honoured them.

Recognizing exceptional care at Markdale Hospital

Perhaps it was a compassionate physician who made your loved one feel more at ease, or the smile of a nurse who comforted you during treatment. It may have been the kindness of a volunteer that brightened your day, or an encounter with a professional while receiving an x-ray.

A tribute gift to honour your Healthcare Hero is the perfect way to say thank you.

Include a personal message with your donation or share your story with us. We will make sure that they receive it with their pin.
